

Finding Aid for Series RG 55-2

Index to company charters

How to view these records:

Use the table below to identify which box you require. Note that there are two runs of file cards: one for companies that were dormant in 1971 (boxes 1-12) and one for companies that were active in 1971 (boxes 12-34). Once you have obtained a liber (book) and folio (page) number, consult series RG 55-1 Company charter books.
