

Finding Aid for Series RG 55-5

Dormant corporation files

How to view these records:

Use the Corporations List (available on microfiche at the Circulation Desk in the Main Reading Room) to find a corporation file number, and to determine whether the file is a dormant file or not. Files in this series are identifiable in the Corporations List because they are indicated as "Dormant" by the inclusion of the letter "T" in column 11 on the fiche, and the Ontario corporation number is between 1 and 3155.

Once you have a file number, use the table below to identify the box that contains the file that you require. Order using reference code RG 55-5 and box number.

Please note that these files are stored off-site. A minimum of 48 hours is required to retrieve them from storage.
